Hi Lupita!

James and Joseph, nice to e-meet you.

Please let us know when you would be available to meet. This area is a priority for us since it has become a nuisance and we want to try and get in front of it. We would be happy to partner with the BID and ATT to see what solutions are possible.

Thanks!

Thanks Lupita.

I checked with Sharon, and this is a different site that I am referring to. The one you've been working on with her is on Sunset Boulevard, yes, but farther west, in CD-4.

The utility box is located at Van Ness and Sunset, behind Denny's, which is in CD-13. This is a new site for all of us to work on, and we want to have a group meeting at Denny's to work through some problem solving. Here is a photo of that "contraption." We are working with the council office on this, and they will be involved with this meeting. I've copied the staff.

The other building is behind Gower Gulch and we'd like to do a walk-around with you on that as well. Dan Haldan is on our team; he is cc'd here. The BID can do some beautification, but there are things that ATT can do as well and we would like to have that conversation.

Can I work with James and Joseph to set up a meeting?

Kerry

Hi Kerry –

Thank you for reaching out. Yes, I thought you were going to send me an email following our conversation as I was driving.

At any rate, I have included our Corporate Real Estate team. As we discussed, we have been working with Sharon Shapiro of CD4 and LAPD SLO on one of the sites.

Hi Lupita, I was out of town for a couple days, but I know you said you were going to connect us with one of your colleagues there at ATT to follow up on our two issues here in Hollywood.

If I missed that email, my apologies.

Hi Lupita,

I am heading to the board of directors meeting today for the Sunset & Vine BID. We need to give them a progress update on our meeting with ATT and the property owner around the Denny's and the property behind Gower Gulch.

Can we try to set up this meeting within the next two weeks? I would like to report this today – so let me know via email, and I will check it.

Hello all. This issue came up in the LAPD Crime Control Meeting this morning. There have been a rash of burglaries and car-break-ins around Sunset and the 101 freeway offramp. One theory is the encampments that are very evident at this site. The LAPD is going to be working with Cal Trans this Thursday – however, we still need to work together to make the ATT structure less inviting as a place to sleep behind and seek refuge. Can we please have this meeting ASAP at the site?

Hi Kerry, I spoke to Lupita last week and she apologized for not being available. The building were they are currently did not renew their lease and they unexpectedly given a short amount of time to move out by the 29th.

I told her this a very important issue to us and she said she would work with us to see what remedies are available. We work very well with her usually so I do want to give her the opportunity to try and help us. If after we meet, we don't come to an agreement, we will take it up the ladder. Thanks!

Hi Joseph, as I read these emails, it appears we can meet on the 29th at 11 or after. The council office could meet at 11 or 12. That would work for me, as I have a 10 a.m. meeting in Hollywood.

Please advise...and many thanks

Kerry Morrison
